Dear Mike,

On behalf of the Worcester County Veterans Memorial and the Ocean City/Berlin Rotary Club, we wish to extend our gratitude to you for making Flags for Heroes a resounding success this year. We are proud to present you with the medallions that were hung with your sponsored flags.

This display of flags honoring heroes in our lives, was a beautiful tribute to those who have made a difference. We saw medallions honoring veterans, firefighters, police and first responders, just to name a few. Many individuals honored a loved one who they felt was deserving of the honor. The flags were flying from Armed Forces Day, May 18, through Flag Day, June 14<sup>th</sup>. During that time, as we were tending to the flags, we were privileged to have learned some of the stories associated with the medallions on the flags. Each and every one a fitting tribute to a hero. More than two hundred heroes were honored.

The proceeds from this project will benefit Student's Education Outreach projects, community charities, and the Rotary Scholarship Fund. Flags for Heroes is part of the Worcester County Veterans Memorial Foundation. A 501c(3) non-profit, EIN# 20-3130695.

We thank you for your generous support. We hope you were able to visit the display. See you there next year!

Sincerely,

Marie Gilmore, President, WCVMF
