Sponsorship Acknowledgement

Dear Mike,

Thank you for your Sapphire sponsorship of the 2019 Blue Jean Ball supporting Autism Delaware! This premiere Sussex County event is always a wonderful evening of friends, food and entertainment. Thanks to your support, we can continue to help individuals and families affected by autism throughout the state of Delaware, and specifically in Sussex County.

The most recent report from the Centers for Disease Control and Prevention states that the prevalence of autism continues to increase: About **1 in 59** U.S. children is now identified with autism. Delaware is not immune to this trend.

- Family Support: parent mentoring and navigation, speaker series, support groups;
- Advocacy at both state and local levels;
- Social and recreational events—such as sensory friendly bowling and roller skating, beach picnic, harvest rest, game nights, and holiday parties;
- POW&R (Productive Opportunities for Work & Recreation): Autism Delaware's nationally recognized adult vocational services program.

Thank you again for supporting our mission. We appreciate each donor – like you – who is committed to supporting the rising number of Delawareans affected by autism. We hope you will continue to support our programs and services.

Sincerely,

David T. Woods
Fund Development and Engagement Director
