

"Team Refuge"

To our Neighbors, Friends and Local Business Partners,

Just a note to thank you for your generous donation to our fund raising efforts for victim support programs and research.

The success of our fundraisers depends on people like you and the support you provide.

Your generosity will help the American Cancer Society, Relay for Life assist our neighbors fighting this horrible disease that takes too many too soon.

Because of you, there will be more birthdays.

Thank you very much,

Nancy Scheffey
