

A special **THANK YOU** for your generous support of the American Cancer **Society's** 2022 **Holiday Wrappings** event!

We had a wonderful fashion show & luncheon and were able to raise funds to **support** the **Society** to attack all cancers from every angle including **research** (specifically childhood cancer research), patient services, **emotional support**, cancer information & education, and policy **change**.

Your **support** is more appreciated than ever, and has enabled the ACS to **continue** funding lifesaving cancer research which directly attributed **to** a sustained **decrease** in cancer mortality this year.

Thank **you** and we look forward to partnering with you in 2023!
