Dear Sponsor:

Thank you for your kind and generous donation to the Golf Tournament benefiting the Worcester County Veterans Memorial. It is generosity such as yours that has made this Memorial possible, and we are extremely grateful.

Your contribution will help the Veterans Memorial Foundation's efforts to maintain the reverence and beauty of the Memorial and continue its Remembrance Programs on Memorial Day and Veterans Day. It will also help the Foundation to continue its educational outreach program to the students in Worcester County Schools. The program provides a visit to the Memorial site for 5th graders to learn flag etiquette, how to fold the flag, and hear stories about some of the veterans who are memorialized at the site. We shall continue to make this a "living" memorial.

Please check our website for future events at the Memorial, and please join us for them.

Sincerely,

Marie Gilmore  
Event Chair
